

# TIANI™ 2 DESIGN EDITION L E L O

The Award-Winning Couples' Massager with Upgraded Functions

Tiani™ 2 Design Edition is the upgraded version of the Red Dot award-winning couples' massager, intended for women to wear when making love. LELO's patent-pending SenseMotion™ technology allows users to control sensations during lovemaking through movements of a remote, while the 50% more powerful motor and 3X greater wireless range increases possibilities still further. Both Tiani™ 2 and controller are fully waterproof for easy cleaning or use in the bath or shower, and also come with an additional full-feeling attachment. Made from soft, flexible silicone it adds a fantastic option in bedroom play, bringing increased stimulation and more stability to even the most adventurous positions.

8 Stimulation Modes (2 SenseMotion™ / 6 Standard Control)

FEATURES	BENEFITS
<b>The Award-Winning Couples' Massager with Upgraded Functions</b> 	The Tiani™ 2 Design Edition is intended for women to wear when making love, featuring a soft silicone arm that holds it comfortably in place with ample room for a male partner. Meanwhile a vibrating pleasure point rests gently over the clitoris, relaying intense sensations to enhance the experience.
<b>Wireless Remote Controls with SenseMotion™ Technology</b> 	The Tiani™ 2 controller adjusts vibration speed and intensity through the user's choice of 6 pre-set patterns or 2 SenseMotion™ modes. In SenseMotion™ settings a simple flick of the wrist will create new vibration patterns or you can control them directly through an easy-to-use 3-button interface.
<b>Fully-Waterproof and Rechargeable</b> 	Tiani™ 2 Design Edition and its wireless controller are both completely waterproof for easy cleaning and use in the bath or shower. Tiani™ 2 is fully-rechargeable for added convenience (controller requires 2 AAA batteries – included).
UPGRADES	BENEFITS
<b>3X Wireless Range for Enhanced Functionality</b> 	Insignia 2 Design Edition massagers boast 3 times the wireless range and signal strength of the original designs, able to relay signals from a distance of up to 36 meters (118 feet) depending on the environment.
<b>50% More Power and Additional Control Options</b> 	Insignia 2 Design Edition massagers feature motors with 50% more power than the original SenseMotion™ series, and can now be controlled with or without the wireless remote using a multi-functional button on the massager itself.
<b>Additional Full-Feeling Attachment for More Stability and Fuller Internal Stimulation</b> 	Tiani™ 2 Design Edition comes with 2 wearable attachments that each offer a unique experience; the attachment from the original award-winning Tiani holds in place to allow wearers to focus on external sensations, while a new full-feeling attachment applies gentle, focused pressure to the G-spot during intercourse.
<b>LELO Quality Standards</b> 	FDA-approved body-safe silicone and ABS CE & RoHS certified Fully Lockable Award-winning packaging Full 1-year warranty
