Sliquid Naturals
Sea

Sliquid Sea is a water based and water soluble intimate lubricant, blended with hand selected natural seaweed extracts. Each extract provides an added boost for your health: Carrageenan, one of natures most effective natural moisturizers, has been shown to reduce the transmission of HPV (Human Pappilomavirus). Wakame is a seaweed that contains B vitmains, and reduces inflammation and improves elasticity in your skin. Nori is an algae that prevents oxidation of the skin and is a very effective natural moisturizer. These natural extracts blend together with Naturals H2O to create a sensual glide with the essential healing properties of the sea.

Made Proudly in the USA

PURIFIED WATER - Nature's purest ingredient, purified H2O makes up 92% of this lubricant.

PLANT CELLULOSE - Derived from cotton, our plant cellulose serves as a natural, vegan friendly & gluten free thickening agent that gives Sliquid it's glide.

CYAMOPSIS - Otherwise known as Guar conditioners, Cyamopsis is a natural product derived from the Guar bean that conditions the Plant Cellulose and helps thicken the formula.

CARRAGEENAN, NORI & WAKAME - Each of these natural seaweed extracts are hand selected for their skin beneficial properties.

POTASSIUM SORBATE - Known as "the wine stabilizer" potassium sorbate is a natural, non-toxic, non-irritating, and non-sensitizing preservative used to extend shelf life and prevent contamination.

CITRIC ACID - A natural anti-fungal, citric acid works together with Potassium Sorbate to ensure product purity and extend shelf life.

Important: Do not use if safety seal is broken/missing. Should any irritation occur, discontinue use at once. Keep out of children's reach.
