

anniversary collection

Something to celebrate

To celebrate 10 years of bringing couples closer together, We-Vibe® is pairing two of our most loved vibrators. Introducing the We-Vibe® Anniversary Collection – the No. 1 couples vibrator and the most powerful mini-vibe in limited-edition cosmic purple together with an exclusive, travel-ready play case. This is going to be one epic celebration.

HOW SYNC WORKS

Sync™ is worn during sex, for powerful, rumbly vibrations you'll both enjoy. The adjustable fit lets you target the G-spot and clitoris with more or less pressure.

HOW TANGO WORKS

Small yet mighty, Tango by We-Vibe™ delivers deep, rumbly vibrations right where you want them. The tapered tip offers pinpoint focus, while the flat edge is perfect for all-over massage.

PLAY CASE

Convenient and eco-friendly, Sync and Tango are easily charged together in the exclusive play case. Charge both in only 90 minutes for up to 2 hours of play.

WATERPROOF

Sync and Tango are 100% waterproof, making them easy to enjoy anywhere and simple to clean.

anniversary collection

FEATURES

Sync Features

Adjustable fit

Sync is adjustable to your unique body so you can feel the vibrations right where you want them.

Powerful vibrations

Sync's deep, powerful vibrations stimulate the G-spot and clitoris, with 10+ vibration modes to choose from.

Remote control

Our advanced wireless remote lets you change Sync's vibration modes and intensity in the moment.

We-Connect™ app

Play and share control Sync from anywhere in the world with the free We-Connect™ app.

Tango Features

Powerful vibrations

With 8 powerful vibration modes to choose from, Tango is designed for precise pinpoint stimulation.

Updated charging

We've updated Tango's control button, battery and charging, while keeping all of the features you already love.

Whisper quiet

Ready for spontaneous fun no matter where you are.

Play case

Charge and store Sync and Tango together in this discreet, compact case, so they're always ready when you are.

Lubricant

Use your Sync and Tango only with water-based lubricants – see we-vibe.com/lubes. Free sample included.

Low power alert

Know when your Sync and Tango need a charge, so they're always ready to go when the mood strikes.

Eco-friendly

Carbon neutral manufacturing

2-year warranty
