BEYOND THE FIVE SENSES LIMITED EDITION

The time has come to enter a new era, both in life and in love. Let's break loose from the cage and go beyond the five senses! Experience deeper depths, whether you do this alone or with your lover, there is a time and place for everything. When opening a box every day, we invite you to be present in the moment and make time to listen to your inner voice... Get in touch with your love language, what is it you truly desire? From now on, we dare you to trust your intuition and experience a whole new sense of fulfilment!
